India

This is the land of snakes, beggars, and of fortune tellers. The people are undernourished, overworked, underpayed, and diseased. But its India, and Kipling loved it.

Beebee !!

It wasn't all this clean

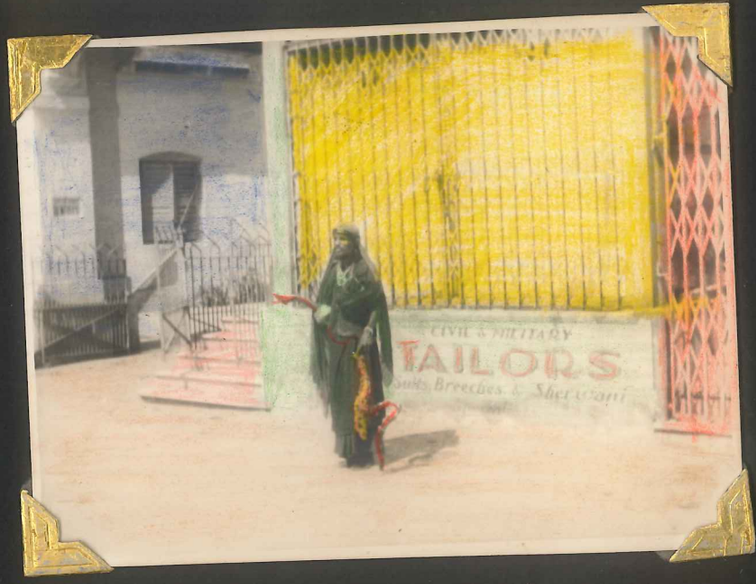

Since we're in in India, you might as well meet their cows!

Street Scenes in Calcutta

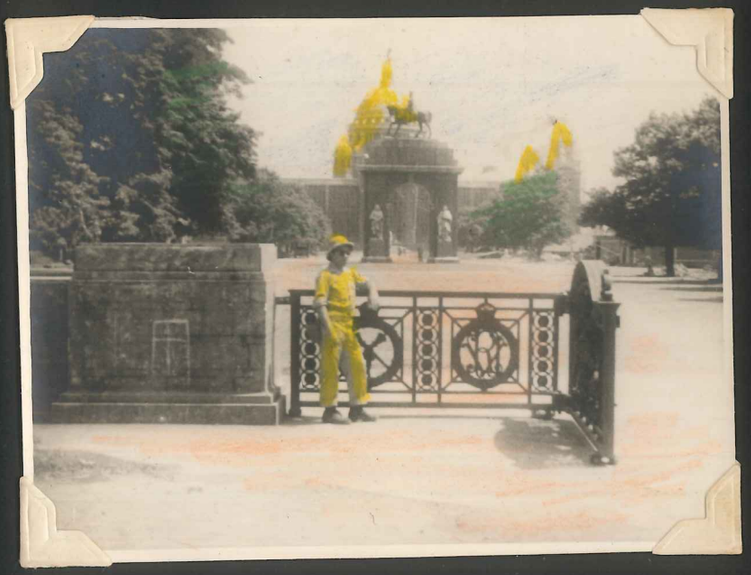

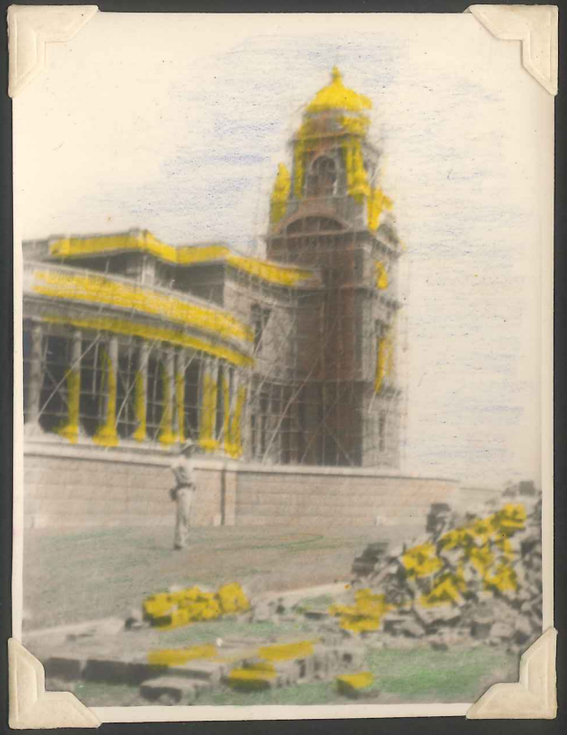

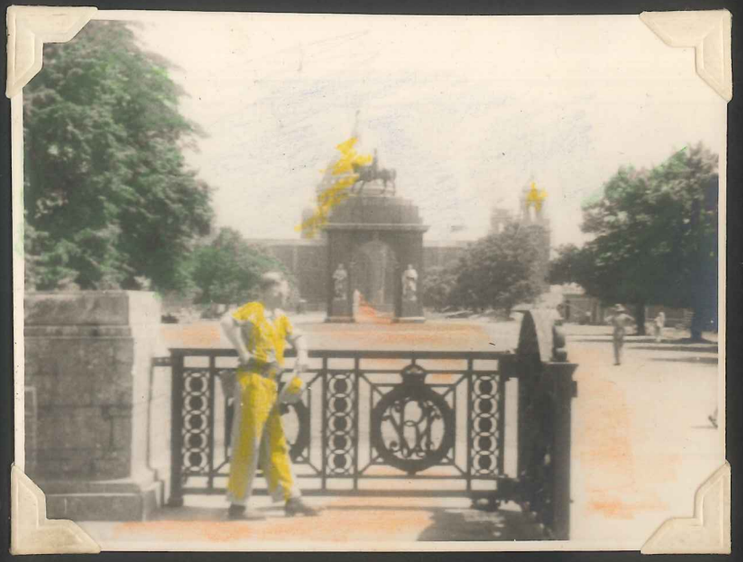

Thats me when I was at Calcutta

Victoria Memorial

JAIN TEMPLE

The dome is really supposed to be of real gold.

Harold Park →

Herbie at the Jain Temple

"BLACK HOLE OF CALCUTTA"

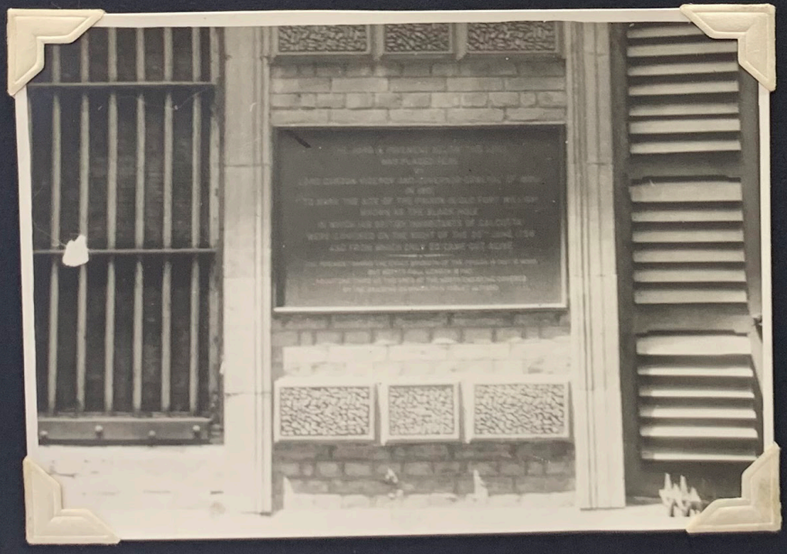

Here is the Main Post Office to the right of which is the "Black Hole".

Just a street temple in Calcutta!

Written on this plaque is the story of the "Black Hole of Calcutta" It marks the spot where the old building stood —

TRAFFIC COPS
